

SAVE APRIL 30, 2011 FOR AN *OUT OF THIS WORLD* EVENT AT CADIZ RANCH

FOR IMMEDIATE RELEASE

JANUARY 10, 2011

CONTACT: JERRI HAGMAN

PHONE: 760-367-0030

Sky's The Limit invites you to save April 30 for a fabulous evening involving food, fun, music, farming, space travel, and stargazing – an OUT OF THIS WORLD EVENT at Cadiz Ranch.

Starting at 4:30 pm, tours of the Organic Farm Operations of Cadiz Ranch will be followed by a delicious chuckwagon-style BBQ accompanied by the tunes of “Out of the Blue” acoustic band.

Jet Propulsion Laboratory will have the Mars Rover mock-up on display for a presentation, and astronomers with telescopes will be on hand to explore the brilliant night sky.

The cost is \$25 per person. Only 150 tickets will be sold, available exclusively through the Twentynine Palms Park and Recreation Office starting on April 1. Call Keri @ 760-367-7562 between the hours of 1 and 6 pm Monday through Friday. Cash, VISA and Master Card are accepted.

Cadiz Ranch is 50 Miles out Amboy Road, approximately one hour's drive from Twentynine Palms, where the last services are available. Guests are encouraged to carpool, and are advised that there will be no pets and no alcohol at the event.

Proceeds will benefit the programs of Sky's The Limit Observatory and Nature Center, a grassroots, all-volunteer organization. It is a Committee of the Basin Wide Foundation, a 501(c)(3) nonprofit organization, Tax ID # 33-0688147. For additional information, visit the website www.skysthelimit29.org, email contact@skysthelimit29.org, or leave a voice message at 760-367-7222.
